The motion was put and carried.

Ald. Diamond, in reforence to the Street
Surveyor's report, stated that over 89,200
of the appropriation had been exponded
and that the balance on hand would be roquired to do the necessary repairing. He
thought no now work should be begun.

The Committee rose and reported.

Ald. Hanley moved, seconded by Ald. Alford, that the amendment to the Public Works Committee's report be not passed, but that the matter be referred back with a view to granting the prayer of the petition.

Ald. Hantey spoke in favor of allowing poles to be placed on Front Street, stating that he thought business demanded them
